Presidency of University of Baghdad receives the ambassador of the European Union Mission

President of University of Baghdad, Prof. Alaa Abdul Hussein Abdul Rasool received the ambassador of the European Union Mission in Iraq, His Excellency Ramon Blecua and the accompanying delegation in the presence of Rector Associate for scientific affairs Prof. Dr. Osama Fadel Abdul Latif and a number of department directors. The Rector expressed his desire to develop continuous and fruitful cooperation with the European Union at the level of the projects offered by Erasmus Foundation, stressing that over the last two years, University of Baghdad has inaugurated four new projects in cooperation with a number of European and Middle Eastern universities. His Excellency Mr. Blecua, for his part presented his vision on the nature of future cooperation between the two sides through academic exchange of expertise, particularly in the cultural and scientific fields. Also the Rector and the visiting delegation inaugurated (OPATEL) project at Ibn Sina e-Learning Center which is one of Erasmus training projects funded by the European Union for the purpose of training and supporting the educational management system as well as equipping the center with all needed for e-learning. At the end of the meeting, President of University of Baghdad Dr. Alaa Abdul Hussein Abdul Rasool confirmed our university's endeavors in this regard.
